Article 17

1. For the purposes of this Article, an investment dispute is a dispute between a Contracting Party and an investor of the other Contracting Party that has incurred loss or damage by reason of, or arising out of, an alleged breach of any right conferred by this Agreement with respect to investments of investors of that other Contracting Party.

2. Nothing in this Article shall be construed so as to prevent an investor who is a party to an investment dispute (hereinafter referred to in this Article as "disputing investor") from seeking administrative or judicial settlement within the Area of the Contracting Party that is a party to the investment dispute (hereinafter referred to in this Article as "disputing Party").

3. An investment dispute shall, as far as possible, be settled amicably through consultation or negotiation between the disputing investor and the disputing Party (hereinafter referred to in this Article as "the disputing parties").

4. (a) If any investment dispute cannot be settled through such consultation or negotiation, the disputing investor may submit the investment dispute to one of the following alternatives:
- (i) competent courts of justice or administrative tribunals or agencies within the Area of the disputing Party;
 - (ii) conciliation or arbitration in accordance with the Convention on the Settlement of Investment Dispute between States and Nationals of Other States, as may be amended (hereinafter referred to in this Article the ICSID Convention"), so long as the ICSID Convention is in force between the Contracting Parties;
 - (iii) conciliation or arbitration under the Additional Facility Rules of the International Centre for Settlement of Investment Disputes, as may be amended, so long as the ICSID Convention is not in force between the Contracting Parties;
 - (iv) arbitration under the Arbitration Rules of the United Nations Commission on International Trade Law, as may be amended; and
 - (v) if agreed with the disputing Party, any arbitration in accordance with other arbitration rules.

- (b) For the purpose of paragraph 4(a) above, if the disputing investor submits the investment dispute to one of the conciliations or arbitrations under subparagraph (ii), (iii), (iv) and (v), at least three months shall have been elapsed before that submission from the date on which the disputing investor requested the consultation or negotiation in writing.

5. The applicable arbitration rules shall govern the arbitration set forth in paragraph 4 except to the extent modified in this Article.

6. The disputing investor who intends to submit the investment dispute to conciliation or arbitration pursuant to paragraph 4 shall give to the disputing Party written notice of intent to do so at least 90 days before the claim is submitted. The notice of intent shall specify:

- (a) the name and address of the disputing investor;
- (b) the specific measures of the disputing Party at issue and a brief summary of the factual and legal basis of the investment dispute sufficient to present the problem clearly, including the obligations under this Agreement alleged to have been breached;
- (c) conciliation or arbitration set forth in paragraph 4 which the disputing investor will choose; and
- (d) the relief sought and the approximate amount of damages claimed.

7. (a) Each Contracting Party hereby consents to the submission of investment disputes by a disputing investor to conciliation or arbitration set forth in paragraph 4 chosen by the disputing investor.

- (b) The consent given by subparagraph (a) and the submission by a disputing investor of a claim to arbitration shall satisfy the requirements of:

- (i) Chapter II of the ICSID Convention or the Additional Facility Rules of the International Centre for Settlement of Investment Disputes, as may be amended, for written consent of the parties to a dispute; and

- (ii) Article II of the Convention on the Recognition and Enforcement of Foreign Arbitral Awards, as may be amended (hereinafter referred to as "New York Convention"), for an agreement in writing.

8. Notwithstanding paragraph 7, no claim may be submitted to conciliation or arbitration set forth in paragraph 4, if more than three years have elapsed since the date on which the disputing investor acquired or should have first acquired, whichever is the earlier, the knowledge that the disputing investor had incurred loss or damage referred to in paragraph 1.

9. Notwithstanding paragraph 4, the disputing investor may initiate or continue an action that seeks interim injunctive relief that does not involve the payment of damages before an administrative tribunal or agency or a court of justice under the law of the disputing Party.

10. Unless the disputing parties agree otherwise, an arbitral tribunal established under paragraph 4 shall comprise three arbitrators, one arbitrator appointed by each of the disputing parties and the third, who shall be the presiding arbitrator, appointed by agreement of the disputing parties. If the disputing investor or the disputing Party fails to appoint an arbitrator or arbitrators within 60 days from the date on which the investment dispute was submitted to arbitration, the Secretary-General of the International Centre for Settlement of Investment Disputes (hereinafter referred to in this Article as "ICSID"), may be requested by either of the disputing parties, to appoint the arbitrator or arbitrators not yet appointed from the ICSID Panel of Arbitrators subject to the requirements of paragraphs 11 and 12.

11. Unless the disputing parties agree otherwise, the third arbitrator shall not be a national of either Contracting Party, nor have his or her usual place of residence in the territory of either Contracting Party, nor be employed by either of the disputing parties, nor have dealt with the investment dispute in any capacity.

12. In the case of arbitration referred to in paragraph 4, each of the disputing parties may indicate up to three nationalities, the appointment of arbitrators of which is unacceptable to it. In this event, the Secretary-General of the ICSID may be requested not to appoint as arbitrator any person whose nationality is indicated by either of the disputing parties.

13. Unless the disputing parties agree otherwise, the arbitration shall be held in a country that is a party to the New York Convention.

14. An arbitral tribunal established under paragraph 4 shall decide the issues in dispute in accordance with this Agreement and applicable rules of international law.

15. The disputing Party shall deliver to the other Contracting Party:

- (a) written notice of the claim submitted to the arbitration no later than 30 days after the date on which the claim was submitted; and
- (b) copies of all pleadings filed in the arbitration.

16. The Contracting Party which is not the disputing Party may make submission to the arbitral tribunal on a question of interpretation of this Agreement, upon written notice to the disputing parties.

17. The arbitral tribunal may order an interim measure of protection to preserve the rights of the disputing investor, or to facilitate the conduct of arbitral proceedings, including an order to preserve evidence in the possession or control of either of the disputing parties. The arbitral tribunal shall not order attachment or enjoin the application of the measure alleged to constitute a breach referred to in paragraph 1.

18. The award rendered by the arbitral tribunal shall include:

- (a) a judgment whether or not there has been a breach by the disputing Party of any obligation under this Agreement with respect to the disputing investor and its investments; and
- (b) a remedy if there has been such breach. The remedy shall be limited to one or both of the following:
 - (i) payment of monetary damages and applicable interest; and
 - (ii) restitution of property, in which case the award shall provide that the disputing Party may pay monetary damages and any applicable interest in lieu of restitution.

Costs may also be awarded in accordance with the applicable arbitration rules.

19. The award rendered in accordance with paragraph 18 shall be final and binding upon the disputing parties. The disputing Party shall carry out without delay the provisions of the award and provide in its Area for the enforcement of the award in accordance with its relevant laws and regulations.

20. Neither Contracting Party shall give diplomatic protection, or bring an international claim, in respect of an investment dispute which the other Contracting Party and an investor of the former Contracting Party have consented to submit or submitted to arbitration set forth in paragraph 4, unless the other Contracting Party shall have failed to abide by and comply with the award rendered in such investment dispute. Diplomatic protection, for the purposes of this paragraph, shall not include informal diplomatic exchanges for the sole purpose of facilitating a settlement of the investment dispute.

2. In cases where a Contracting Party takes any measure, pursuant to paragraph 1, that does not conform with the obligations under this Agreement other than Article 13, which it implements after this Agreement enters into force, the Contracting Party shall make reasonable effort to notify the other Contracting Party of the description of such measure either before the measure is taken or as soon as possible thereafter.

1. Notwithstanding any other provisions of this Agreement, a Contracting Party shall not be prevented from taking measures relating to financial services for prudential reasons, including measures for the protection of investors, depositors, policy holders or persons to whom a fiduciary duty is owed by an enterprise supplying financial services, or to ensure the integrity and stability of its financial system.

2. In cases where a Contracting Party takes any measure, pursuant to paragraph 1 above, that does not conform with the obligations of the provisions of this Agreement, that Contracting Party shall not use such measure as a means of avoiding its obligations.

Article 21

1. Nothing in this Agreement shall be construed so as to derogate from the rights and obligations under multilateral agreements in respect of protection of intellectual property rights to which the Contracting Parties are parties.

2. Nothing in this Agreement shall be construed so as to oblige either Contracting Party to extend to investors of the other Contracting Party and their investments treatment accorded to investors of a non-Contracting Party and their investments by virtue of multilateral agreements in respect of protection of intellectual property rights, to which the former Contracting Party is a party.

3. The Contracting Parties shall give due consideration to the adequate and effective protection of intellectual property rights and shall promptly consult with each other for this purpose at the request of either Contracting Party. Depending on the results of the consultation, each Contracting Party shall, in accordance with its applicable laws and regulations, take appropriate measures to remove the factors which are recognized as having adverse effects to the investments.

- (c) to discuss the exceptional measures adopted or maintained pursuant to paragraph 2 of Article 7 for the purpose of encouraging favourable conditions for investors of the Contracting Parties; and
- (d) to discuss any other investment-related matters concerning this Agreement.

2. The Committee may, as necessary, make appropriate recommendations by consensus to the Contracting Parties for the more effective functioning or the attainment of the objectives of this Agreement.

3. The Committee shall be composed of representatives of the Contracting Parties. The Committee shall determine its own rules of procedure to carry out its functions.

4. The Committee may establish sub-committees and delegate specific tasks to such sub-committees. The Committee, upon mutual consent of the Contracting Parties, may hold joint meetings with the private sectors.

5. The Committee shall meet upon the request of either Contracting Party.

Article 24

The Contracting Parties shall refrain from encouraging investment by investors of the other Contracting Party by relaxing environmental measures. To this effect each Contracting Party should not waive or otherwise derogate from such environmental measures as an encouragement for the establishment, acquisition or expansion in its Area of investments by investors of the other Contracting Party.

Article 25
