

Director Kawaguchi visits Cambodia-Japan Friendship Technical Education Center

On July 14th, 2022, Director Kawaguchi visited Cambodia-Japan Friendship Technical Education Center with guidance of Mr. Sakuyama Kazuo, General Manager of Angkor Japan Friendship International hospital, and Mr. Ngo Somehea, Director of the center.

The Center was established by the Kyosei Forum, NPO, in April 2017 with the aim of supporting youth and women for their self-reliance and seeking employment.

At the center, about 45 students are studying tourism (hotel service), computer, agriculture, and cooking through lectures and practical training.

Director Kawaguchi said to the students that, “As the situation of Covid-19 improves and socio-economic activities reopen, I hope that you will find jobs in accordance with the skills that you learned.”
