*Japan's "KUSANONE" Grant Assistance* started in Cambodia in 1991 in order to support Cambodia's reconstruction and development efforts at the grassroots level. The assistance is aimed at protecting vulnerable individuals from such factors as poverty and misfortunes that directly threaten their lives, livelihood, and dignity, as well as at promoting self-reliance of local communities. Since 1991, the Government of Japan has provided over US\$47.6 millions for local authorities and non-governmental organizations to implement 474 projects throughout the country.
