【Notes regarding relief money to the Japanese Red Cross Society】

a) Red Cross Society Use of Funds

For the Earthquake Centered in the Kumamoto Region of Kumamoto Prefecture 2016, in principle, relief money to the Japanese Red Cross Society from abroad (outside Japan) will be categorized as “Kyuen-kin (relief funds)” as opposed to “Gien-kin (donations)”. Please see the note below for the distinction between “Kyuen-kin” and “Gien-kin”.

If you wish to have your relief money used as “Gien-kin” instead of “Kyuen-kin”, after your relief money are transferred via the process above, please send an e-mail to the Japanese Red Cross Society (donation@jrc.or.jp) that includes:

- Subject: Funds sent as “Gien-kin”
- Your name
- The amount of the relief money
- The date when the relief money was donated
- The name of the bank from which the relief money was transferred

Note: Definition of “Gien-kin” and “Kyuen-kin” for the Japanese Red Cross Society

“Gien-kin”: funds sent by the Japanese Red Cross Society to affected local governments and municipalities, which are then given to affected people.

“Kyuen-kin”: funds that will be directly used by the Japanese Red Cross Society to perform relief and rescue operations related to this specific earthquake disaster.

b) Requesting a Receipt

In principle, the Japanese Red Cross Society does not automatically issue receipts for relief money. If you wish to receive a receipt, please send an e-mail to the Japanese Red Cross Society (donation@jrc.or.jp) that includes the following information:

- Subject: Request for Receipt
- Your name
- The amount of the relief money
- The date when the relief money was donated
- The name of the bank from which the relief money was transferred

3 Accounts at which Local Governments of the Affected Area accept relief money

Local governments of the affected area have also opened accounts to accept donations. Please check the website of each local government for more information. If you wish to see the information of the account opened by Kumamoto Prefecture, which is one of the most severely affected areas, please check the following website (<http://www.pref.kumamoto.jp>).
