

Name: KHEM Yuos Panha

Scholarship Category: Undergraduate

Accepting Institution: TUFS, Kobe Univ, Waseda Univ

Current Occupation: unemployed.

1. Why did you apply to Japanese Government Scholarship?

High level of education: There are various world-class universities in Japan.

Sufficient financial support: I can focus on my study and do part-time job in a learning manner.

Developed country: safety in travel, food, and many other aspects of everyday life.

2. How was your study in Japan?

Above-average satisfaction. Access to world class library is the main point. Professors are also highly qualified.

3. How is your current life in Cambodia?

Above-average satisfaction. I can see my country with hope that it can be developed fast enough with right policies. Employment perspective is also above average.

4. Message for this year's applicants.

"A ship is safe at harbor, but that's not what ships are for."
